# Flexi Membership

## What is the Flexi Membership

The Flexi Membership model has been designed to offer you greater flexibility, value, and convenience and allow us to automate tracking of usage. We understand that our golfers have varying schedules and preferences, and this new approach allows you to tailor your golf experience to suit your lifestyle.

## The Benefits

- Personalised Golfing: Choose how and when you play, with options to suit both regular and occasional golfers.
- Flexible Payment Option: Pay only for the rounds or activities you wish to participate in, rather than a fixed annual fee.
- Access to Club Facilities by signing in as a social guest: Enjoy continued access to club amenities, including practice areas, golf changing rooms, clubhouse bar/restaurant, and competitions (to play in competitions you must have a valid WHS index).
- Allow booking of guests using your points allocation.
- Points are valid for 1 year from date of purchase.

## Cost & Points Matrix

The cost will be 200 points for £200. Every time you book a tee time for either 18 or 9 holes points will be deducted from your flexi wallet. When you use up your points you will be able to top up your wallet via BRS. Full instructions will be given when you are set up on the new system. Below is the points matrix for our Flexi Membership.

The club can help you obtain this and there is a yearly affiliation (to England Golf and Surrey County Golf) charge of £30. We are confident that the Flexi Membership model will enhance your golfing experience and allow you to make the most of your time at our club.

Thank you for being a valued member, and we look forward to this exciting new chapter together.
